

## JUNIOR DEVELOPMENT SQUAD 2011/12

The Minnow Sailing Association last season implemented the junior development squad to offer up and coming sailors the opportunity to develop their skills more in a fun training and racing environment.

The kids were coached by expert coaches in the morning and then competed at some fantastic sailing regattas on Port Phillip Bay.

The success was in the results seeing development squad members like Jemma Burns become the National OPEN Champion, Hugo Llewellyn become the Australian Junior Champion and Victorian Open and Junior Champion and Jeremy Edleston becoming the Victorian Senior Champion. Other members of the development squad achieved podium finishes and all kids involved in the squad improved immensely during the program. Importantly, they had lots of fun and developed friendships across all of our bayside Minnow Sailing Clubs.

This year we have increased our squad to three groups open to novice, intermediate and advanced Minnow sailors.

In addition to this we have implemented a new travelling series which will see the development squad training and competing at some awesome locations and events over the next twelve months.

This year we have been able to offer more children the opportunity to be a part of this fabulous concept and we actively encourage you to contact the Development Squad Manager Scott Llewellyn on 0418 568597 Or via email : [slllewelyn@brandnewmedia.com.au](mailto:slllewelyn@brandnewmedia.com.au)
